

Do you know the Island of Magic?
 There, everything is magical!
 There are monsters, elves,
 mermaids, and fairies, and many more
 things that you might think aren't real.
 But you can't just walk or fly there.
 First, you need to have a big imagination.
 Next, you need to believe in magic.

After that, you might have a small chance...
 You might get there in a blink!

Spring has come,
 People will fill the parks and the gardens.
 Really happy, plants will be,
 In many parts of the world,
 NOBODY wants you gone.
 Good day, lovely spring.

A note from the editor, Eda Yazici:

Thank you for reading my story, *Cupid's Adventure to Find Herself*, in the first issue of our school newspaper. You will have a chance to read the second one in the May-Spring publication. Don't forget, if you have any poems, riddles, or games you want to put in the newspaper like Leyla's (above), you can give it to me in person or my co-editor, Nehir Akgoz (6A). Also, if you do not see your submission in this publication, don't worry—you will probably see it in the next one. The theme for the next publication is **Spring**. ❤️
